We adopt this notice to comply with the California Consumer Privacy Act of 2018, as amended by the California Privacy Rights Act (“CCPA”) and any terms defined in the CCPA have the same meaning when used in this notice. This policy applies to the personal information we collect from California residents who use our Websites (LibertyDiversified.com; LibertyPackagingInc.com; LibertyPaper.com; DreamworksCoatingSolutions.com; Quarrix.com; LibertyPlasticsInc.com; SafcoProducts.com), communicate or request information from us, or otherwise interact with us. Your Rights Under the CCPA

The CCPA provides California residents with the rights discussed below. For convenience, and as required by the CCPA, we explain how you can exercise those rights, to the extent they are applicable.

1. Right to Request Information

You have the right to request that we disclose certain information to you about our collection and use of your personal information over the past 12 months (the "right to know"). Specifically, you may request that we disclose:

- The categories of personal information we collected about you.
- The categories of sources for the personal information we collected about you.
- Our business or commercial purpose for collecting your personal information.
- The categories of third parties with whom we disclose your personal information.
- The specific pieces of personal information we collected about you.

If we provide the information to you electronically, it will be in a portable and readily useable format, to the extent technically feasible. Consistent with the CCPA and our interest in the security of your personal information, we will describe but may not provide copies of certain personal information we may receive from you (e.g., driver's license number, other government-issued identification number, financial account

number, health or medical identification number, account password, or security questions or answers) in response to a CCPA request, to the extent any of those items are in our possession.

3. ***Right to Request Deletion.*** You have the right to request that we delete personal information we collected from you, subject to any exceptions or limitations under the CCPA.
4. ***Right to Correct Inaccurate Information.*** If we maintain inaccurate personal information about you, you have the right to request that we correct that inaccurate personal information, taking into account the nature of the personal information and the purposes of the processing of the personal information.
5. ***Right to Opt-Out.*** Consumers in California have the right to opt-out of (1) the sharing of their personal information for the purposes of cross-context behavioral advertising (as defined in the CCPA), or (2) the sale of personal information. Because LDI does not process “sell” or “share” personal information, these rights are not available.

Exercising Your Rights

To exercise the rights described above, you – or someone authorized to act on your behalf – must submit a verifiable consumer request to us by either:

- Calling us at 1-800-421-1270.
- Emailing legal@libertydiversified.com with the subject line: “CCPA Request.”

Your request must include your name, email address, mailing address, phone number, the nature of your inquiry and the context in which we may have received your information. If you are an agent submitting a request on behalf of a consumer, we may request that you submit a signed permission from the consumer authorizing you to make the request.

In order to protect the privacy and data security of consumers, the verifiable consumer request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative of such consumer; and
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

As indicated above, please be aware that the CCPA provides certain limitations and exceptions to the foregoing rights, which may result in us denying or limiting our response to your request.

You may only make a verifiable consumer request for access or data portability twice within a 12-month period. We will only use personal information provided in a verifiable consumer request to verify the requestor’s identity or authority to make the request. We may also request that you provide additional information if needed to verify your identity or authority to make the request. We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you or the consumer on whose behalf you are making the request.

Response Timing and Format

The CCPA requires us to respond to a verifiable consumer request within forty-five (45) days of its receipt; however, we may extend that period by an additional 45 days. If we require more time, we will inform you of the reason and extension period in writing. We will deliver our written response via e-mail.

Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

Our Commitment Not to Discriminate

Consistent with the CCPA, we will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not:

- Deny you goods or services.
- Charge you different prices or rates for goods or services, including through granting discounts or other benefits, or imposing penalties.
- Provide you a different level or quality of goods or services.
- Suggest that you may receive a different price or rate for goods or services or a different level or quality of goods or services.
